

SPECTACULAR SWISS ALPS PORSCHE TOUR

26 SEPTEMBER 2027 - 7 DAYS / 6 NIGHTS

Join us for an unforgettable 7-day, 6-night Porsche adventure to the spectacular Swiss Alps, exclusively for members of the 997 registry of PCGB, departing on 26 September 2027.

From the moment we cross the Channel, you'll enjoy a carefully curated journey through some of Europe's most breathtaking roads and scenery. Our first overnight stop is in Reims, where you'll have the opportunity to explore the partially restored pit lanes and grandstands of the legendary Reims-Gueux circuit.

Our main base for the tour is Interlaken, beautifully nestled between Lake Brienz to the east and Lake Thun to the west. From here, we'll experience the twists, turns and spectacular scenery of some of the world's most famous Alpine passes, including the Stelvio, Furka and Grimsel.

Your final night will be at 4* accommodation in Gerardmer including an end of tour dinner with some special touches along the way.

Every hotel has been carefully handpicked, with location and secure on-site parking being key priorities. Combined with fantastic roads, stunning scenery and the company of fellow enthusiasts, every detail has been designed to create an pleasurable and relaxing touring experience.
