

**World of Super Cars Show and Track Day**  
**Sunday July 24<sup>th</sup> 2016 Knockhill Racing Circuit**

Dear Supercar Owner,

On behalf of Knockhill Racing Circuit, we would like to formally invite you to display and/or go on track with your Supercar at the **World of Supercars Show** on Sunday 24<sup>th</sup> July 2016. You can expect this to be the biggest and best track day ever seen in Scotland!

We aim to attract approximately 100 Hyper, Super and Sports cars to be on display and driving on the famous British Touring Car Circuit. Never before will there have been a gathering of such cars along with their owners in Scotland!

Off track there will be static displays of owner's exotica from the likes of Ferrari, Lamborghini, McLaren, Porsche, Maserati, Bentley, Aston Martin, Audi and others. The latest 2016 Supercars are expected to be on display from dealerships from all over Scotland as they showcase their latest models.

It's our utmost priority to ensure all show car owners have peace of mind when displaying their pride and joy. Therefore Hyper Cars will be displayed in an undercover show zone within the pit lane with all other vehicles being located in fenced areas on our tarmac paddock surface with access by wrist band identification only.

Our track day sessions give car owners the chance to demonstrate the performance characteristics of their cars to the full, driven hard as they should be away from the restrictions of the road, allowing fans to appreciate the noise and spectacle of the exotic machinery. Each car owner will also have the opportunity to take part in several parade laps around the circuit to allow for unique photo opportunities for the spectators.

We would like to offer all Hyper, Super and Sports car owners (plus 1 passenger) free entry to the event and those wishing to take to the track during the three 15 minute sessions can do so for £75.

All show car owners will have exclusive access to the Knockhill Media Centre as a drivers retreat with complementary tea and coffee all day. A rolling buffet will also be on offer at a cost of £20pp or you may wish to make your own arrangements for food at the Clubhouse or Kinnairds Restaurant.

If you are interested in displaying your car or you would like to take part in one of the track sessions, then please contact the Events Team of Rory or Stuart at Knockhill on 01383 723337 or email Rory directly on [roryb@knockhill.co.uk](mailto:roryb@knockhill.co.uk)

If you have any question regarding the World of Supercars Show then please get in touch.

Yours in Sport  
The Knockhill Events Team
