Only tyres of the same make and type, with the same speed index and the same specification code (N0, N1, N2, ...) may be used on a vehicle.

*) 17-mm spacers on rear axle.

***) Production of this tyre was discontinued. A successor is currently being developed.

1) Ultra High Performance tyres

Further detailed information about permitted wheel and tyre sizes as well as spacers that may be required can be found in the relevant parts certificates/manufacturer's certificates held by the Porsche partners.
