Porsche Club GB

Region 13 Member's Technical Day

Saturday 19 September 2020 9.30am

Cornbury House, Moreton in Marsh

Arrival 9.30 to 10.30 am for coffee and drinks.

10.30am **"Classic Porsches: The Pitfalls and the Pleasure"** **Mike**
Champion, MCEPorsche www.mceporsche.com

Mike operates MCEPorsche an independent Porsche Specialist based near Banbury and offers a full range of services from regular servicing, to modifications and restoration. His talk will cover aspects of 911 restoration, what to look out for and some of the technical challenges together with his thoughts on the development of the 911 product through the years and how that opens the pandora's box of 'modified' vs 'originality'.

11.45am **Porsche Engine rebuilds and engine development** **Barry Hart,**
HARTECH www.Hartech.org

Barry is the founder of Hartech an Independent Porsche Specialist based in Bolton. Hartech are regarded as the premier engine rebuild specialists for water cooled Porsches. Barry will talk through his experience of developing

this service for Porsche owners together with their other maintenance services and their new engine conversion kits.

12.45 – 1.45pm Lunch

2 pm **Visit to Rennsport** www.911rennsport.co.uk

Based on the same industrial estate as Cornbury House, Rennsport rebuild classic Porsches to an incredibly high standard. Engineered by some of the most experienced Porsche technicians in the country, in a state-of-the-art building that creates the perfect working environment, they produce bespoke cars to individual owner's specification. Owner **Paul Cockell** will talk us through their manufacturing process with an opportunity to examine cars in production and on completion.

3.30pm Tea and Close

Cost to attend is £10 per head. Maximum 40 places.
