PCGB R10 WOTY Northumberland Thursday 8th July to Sunday 11th July 2021

Hotel Recommendations / Allocations (Breakfast included, onsite free parking)

Rooms are not yet reserved – waiting for hotels to confirm their full availability. Prices and availability are ESTIMATED.

Each number below represents a room to be reserved at the appropriate hotel. Please select your first and second number choices from those that are unallocated.

On a first come, first served basis, rooms will be allocated according to your first, then second request. If neither is available, a similar room at the next available price will be allocated to you and you will be advised accordingly. You may reject this allocation and choose a different room, or choose to find yourself a different hotel.

When your allocation has been agreed, a £50 non-refundable per room deposit will be payable. If you do not pay your deposit, your allocation may lapse.

This chart will be updated as regularly as possible. (Updated Tuesday 19.1.2021)

			Battlesteads		Matfen Hall		_	
		Beds	Per room per night	Total 3 nights	Avge. per room per night	Total 3 nights	Allocated to:	£50 deposit
