# TECHNICAL REGULATIONS

## 22 Introduction

- 22.1 The following Technical Regulations are set out in accordance with the Motorsport UK specified format and it should be clearly understood that if the following texts do not clearly specify that you can do it you should work on the principle that you cannot. If in doubt – ASK

## 23 General Description

The Eden Porsche Club Motorsport Open Cup & 911 Challenge will be run as an Open series.

**A high standard of presentation for competing cars will be considered of paramount importance. The judges in this matter will be the Series Co-ordinator and the Series Scrutineer. In considering whether to permit any car to participate the Organisers reserve the right to take into account, at any point during the season, its appearance and the standard of its presentation (including its interior) and may exclude any car the appearance of which they consider may prejudice the reputation of the Series or is otherwise not acceptable.**

At the Organisers discretion, cars for physically disadvantaged drivers shall be allowed to compete with whatsoever equipment the Organisers deem appropriate for the sole purpose of giving the driver full and adequate control. Competitors will thereafter be personally and solely responsible for ensuring that any and/or all such equipment fitted shall be acceptable at inspection by the Chief Scrutineer of any meeting attended.

## **24 Safety Requirements**

- 24.1 References in these regulations to the Motorsport UK Technical Regulations are to those issued for 2023.
- 24.2 Vehicles must comply with sections J & Q Motorsport UK and J1, Section J Technical & Q Technical Regulations except Q13.7.1 (in so far as they relate to rear-engine vehicles).
- 24.3 The design and fixation of the roll cage is free within the passenger compartment insofar as it must comply with the minimum requirements as shown in Section K drawings 5 and 6 for left- or right-hand drive cars as appropriate, except for the following: -
- 24.4 Additional door bars are mandatory as per Motorsport UK Regulation K1.3.5(b).
- 24.5 All roll cages not having certified approval prior to 01.01.95 must seek such certification via a Motorsport UK approved source and such certificate must be available for inspection at scrutineering. Roll cages manufactured post 01.01.2020 may not be attached to internal bodywork panels. Vehicles constructed after October 2020 will be required to be fitted with a roll-cage certified for the 911 Series.
- A driver's door net (driver's window) is mandatory and must be homologated according to FIA 8863-2013 standard (Technical List n°48). It must be attached and installed in accordance with the manufacturer's installation instructions. The quick release system must be able to be opened both by the driver when seated in his racing position with tightened seat belts and by rescue crews.
- 24.6 A plumbed in fire extinguisher, as per Motorsport UK Section K 3.1 to 3.7 must be securely mounted to the cockpit floor with a minimum of 2 x 6mm diameter bolts with quick release brackets. Safety pins must be removed whilst competing or practising (including post practice/race scrutiny).
- 24.7 A Safety Harness to K2.1.2, K2.1.3 or K2.1.4 must be fitted. Note Motorsport UK regulation Q13.10.2.
- 24.8 A Crash Helmet to current Motorsport UK approved standard and clean fire-resistant overalls, balaclava, socks, gloves and boots as per K9 must be worn whilst competing or practising and available for inspection at pre-practice scrutiny.
- 24.9 The use of an approved FHR Device (HANS) is mandatory – see Motorsport UK Reg Section K 10.4

## **25 General Technical Requirements & Exceptions**

### **25.1 Interpretation**

For the purposes of interpretation, the term 'Organisers' shall refer throughout these Regulations to the Porsche Club Motorsport, unless specified otherwise. In these regulations 'standard' shall mean in accordance with all respects (whether as to shape, size, material, manner of construction or otherwise) with the manufacturer's recognised U.K specification for the model or item in respect of which the expression is used.

- 25.2 The Organisers or their representatives shall establish the manufacturer's recognised U.K specification by reference to information provided by the manufacturers or by comparison with the items or components which the Organisers consider accord with such specification or in another manner which the Organisers shall consider appropriate.
- 25.3 The Organisers or their appointed representative shall be the sole arbiters and any finding of the Organiser as to whether or not any item or component is 'standard' or 'relevant' for the purpose of these regulations shall be a finding of fact.
- 25.4 Competitors, shall on registering for the series, be deemed to have full knowledge of these regulations and to have accepted same in full.

### **25.5 Each car must be registered as a specified model (including year of manufacture)**

- 25.6 The Organisers reserve the right to re-inspect vehicles during the season should there have been a Regulation infringement or circuit incident.
- 25.7 Competitors will be personally and solely responsible for ensuring that their cars comply with their registration details and with these regulations for each event at which they are entered. Failure to comply in either respect will be a breach of these regulations. Queries concerning eligibility should be referred in writing to the Organisers at least 7 days prior to an event entered to permit a ruling in advance of any meeting at which it is intended to compete.
- 25.8 Cars may be put into Parc Ferme at any time during a series race meeting at the request of the scrutineer.

## 26 Examination of Vehicles

The Organisers (in addition to any other powers they may have under these rules) reserve the right before or after any race in the Series to designate any one or more of the competing cars for special eligibility scrutineering. Upon such election being made the competitor shall immediately place the car under the control of the Organisers and be deemed to have permitted all such scrutineering, examination and testing as the Organisers may reasonably require.

## 27 Chassis

running at 75% maximum rpm. Furthermore, conditions for measurement in terms of the space in which the test is conducted, ie background noise etc., will be as J5.18.

#### **44 Numbers & Series Decals**

44.1 The Organisers will provide Series number panels and numbers to be displayed at all times to be eligible to compete in the Series, to include a 'race number' to be applied to the windscreen.

44.2 Competitors must make available space on their vehicle for Sponsors logos as may be specified from time to time. Competitors should ensure that the number plate, in front and rear locations, is fixed in a horizontal position and be of standard size such that it may be required to carry supplied sponsor's logos. Competitors must ensure that the screen header is available for Series sponsor's logo.

44.3. Each car may carry on the windscreen the surname of competing driver in white lettering.

44.4 One sets of decals will be supplied to all competitors before the first round. Additional sets required must be purchased from our supplier, Leading Edge Graphics, please note replacement decals will not be available on race days. **See Appendix 3** for contact details.

#### **45 Commercial Undertakings**

45.1 The following Commercial regulations are contractual between the Entrant and/or Driver and the Organisers and/or promoters and are not considered by Motorsport UK. Accordingly the application of these Commercial Regulations by the Organisers and/or promoters will not be subject to the Judicial processes of either the Series Stewards and/or MOTORSPORT UK/MSC.

45.2 Entry into the Series is conditional upon a competitor accepting without reservation or recourse the surrender of his/her rights (if any) for TV filming and broadcast of footage collated during the series which may be used at the Series Organiser's and sponsor's discretion.

45.3 Competitors are advised that, unless requested otherwise, their information will be stored in a computer retrieval system and may be used for relevant publicity purposes.

45.4 The Series title and associated logo styles may only be used with the prior written approval of the Porsche Club Motorsport

45.6 The overall race and class winning drivers must attend, as required, for interview and award presentation immediately after each Series race at the podium. Series Sponsor's caps must be worn, along with any other Series sponsor clothing as may be advised in a supplementary bulletin. Prizegiving's will take place at the Series Race Centre approximately 30 minutes after publication of provisional results, the first three in each Class will be required to attend. Attendance at such award ceremonies is mandatory, failure to attend may result in loss of awards from the meeting.

## Appendix 4 – Race With Respect

A socially minded standard of behaviour is expected from everyone within the motorsport community. By participating in a Motorsport UK / PCGB Motorsport event in any capacity you agree to follow the values of the Respect Code:

### The Values

- Respect
- Fair play
- Integrity
- Good Manners
- Self-Control

I pledge to #RaceWithRespect and:

- Contribute to a welcoming and friendly environment that ensures the safety and welfare of all participants.
- Always behave with integrity and uphold fairness in the sport; play my part in keeping the sport safety through your actions
- Treat everyone with respect, regardless of their gender, ethnic or social background, language, religious or other beliefs, disability, sexual identity or other status
- Recognise that we all represent the sport and therefore have a duty to be polite and respectful to all staff, officials, fellow competitors, volunteers, as well as fans and supporters
- Respect the rules, regulations and authority of the officials and Motorsport UK

Any breach of these obligations may result in disciplinary action or disqualification.
