A close-up, low-angle shot of a car's side mirror. The mirror's frame is black and curved. The reflection in the mirror shows a bright yellow sports car parked on a grassy field. In the background of the reflection, there are other vehicles, including a white van, and a blue sky with scattered white clouds. The actual car's body, visible at the top and right edges of the frame, is a dark, metallic color with a prominent red light strip along the top edge. The overall scene is brightly lit, suggesting a sunny day at an outdoor event or car show.
