- 22 May** Who fancies a Sunday morning drive to visit a unique car builder and restorer at Burwell near Newmarket on Sunday 22 May? Type 2 Detectives are a specialist VW bespoke builder and restorer who also specialise in air-cooled engines. They have an interesting collection of vehicles, run training courses for air-cooled engine maintenance and have tea and proper coffee facilities available, see [HERE](#). They have invited R11 to visit them between 10am and 1pm, along with members of other marque car clubs, so there should be an opportunity to see some unique vehicles, gain some technical information or just have a coffee and a drive out to a lovely area. Would all interested members please advise Ray Chapman by email: ray@rcaconsulting.co.uk. We are also researching local hostelrys to see if we can find somewhere suitable for a Sunday lunch.
