DEALER PRINCIPAL CHOICE

Please note:

If there are less than four entries in a class, classes may be merged at the discretion of the Regional Concours team..

2 ELIGIBILITY

2.1 Outright and Class winners of previous National Concours are not eligible for entry.

2.2 Competitors must be paid up members of PCGB. Entries must be made on the official entry form and submitted by the closing date on the entry form. Entries received after this closing date or on the day will be at the discretion of the Concours team.

2.3 Each accepted entry must be registered at the signing-on desk by **9.30am on Saturday 25th June 2022.**

2.4 Entries will be restricted to Porsche manufactured vehicles only.

2.5 Each competitor will receive all necessary display and judging information prior to the event.

2.6 Each vehicle must have current MOT where appropriate and be in road worthy condition. A safety inspection will not be part of the judging process, but visible safety hazards noted by the judges will be penalised.

3 SCORING

The judges will be briefed to focus on cleanliness, quality of presentation and overall condition of the vehicle: cleanliness referring to all scoring areas of the vehicle having received attention, presentation referring to the level of precise detailing in all scoring areas, overall condition referring to the appearance and condition of all scoring areas.

3.1 Vehicles will be judged as an assembled unit. Parts such as wheels, bumpers, tops, etc., must be attached to the car in the specified position and manner. Hoods/soft tops/ Targa roof panels must be raised or in place as the case may be.

3.2 Each vehicle will be marked out of the possible total points as indicated on the judges marking sheet, according to the following categories — Exterior / Interior/ Luggage bay. Multiple judges will be used to provide a balanced view. *Note: Engine bays will not be judged.*

3.3 Mileage Points: after the first 5000 miles, 0.5 point will be awarded for every 5000 miles the vehicle has covered, to a maximum of 10 points for 100,000 miles and over.

3.4 Age related points will be deducted from the final score to a maximum of 10 points.

For example: 0.5 points for a 2003 car up to 10 points for a 2022 car. No deductions for cars pre 2003.

3.5 The vehicle service booklet should be displayed within the vehicle. Failure to do so will result in a 5 point deduction.

3.6 In the event of a points tie at the completion of judging, the winner will be at the discretion of the Concours team.

Attention is drawn that each competitor should display on their vehicle a Porsche Club GB badge on the front windscreen. Failure to display one of these badges as indicated will result in 5 points being deducted from the overall final score.

4 JUDGING

4.1 On arrival, you will be shown to your allocated parking place, and you should then sign on by 10am. Vehicles will be judged in their parking space.

4.2 Judging will commence at 11.30am, no work is to be undertaken on any cars after this time. Please ensure you are with your vehicle when the judges start on your vehicle and you must remain with your vehicle throughout the judging process.

4.3 Once judging commences no further work can be performed on any vehicle entered into the competition as this gives an unfair advantage to those judged later.

4.4 The judging team will comprise individuals selected for their broad knowledge of the Porsche marque who also have specialised knowledge to decide on certain points (particularly originality).

4.5 There will be one team of judges to ensure consistency of judging. Please do not attempt to discuss any matter with the judges whilst they are judging vehicles unless the judge asks a specific question. The judges will spend the same amount of time on each car. The timekeeper will control this.

4.6 Judging is a difficult job. Please do not talk to or distract the judges during their task.

5 AWARDS

There will be trophies for the winners and runners up for each of the classes.

6 RESULTS

Results will be available on the day of the concours. The Judge's decision is final. Individual score sheets will be forwarded to each competitor after the event on request.

7 HEALTH AND SAFETY

Competitors are reminded that they should take precautions to ensure the Health and Safety of themselves and others, for example: during vehicle preparation providing a board that is adequate to carry the weight of the vehicle and large enough to accommodate the size of the jack to enable the jack and/or axle stands to have a firm base when used on soft, rough or uneven ground. Additional support of vehicles when raised on jacks, i.e. axle stands, should be used. Competitors should ensure that harmful substances are properly contained and wear any necessary PPE when handling these substances. The concours area is a strictly non-smoking area due to the fact that competitors may be using substances that contain flammable materials. Trip hazards should be avoided. For their own safety whilst a car is jacked up and/or on axle stands, any person or persons accompanying concours competitors (i.e. wives, children or friends) should cease assisting with the car preparation and leave the concours area.

Any queries or matters arising regarding Health and Safety should be directed to the Concours Coordinator.
