How the contract is formed between you and Porsche Club Great Britain

All orders are subject to acceptance by PCGB, and PCGB will confirm such acceptance to you by sending you an e-mail that confirms the track day has been purchased. The contract between us will be formed when we send you the confirmation email. By booking a track day through the site you warrant that you are legally capable of entering into binding contracts.

Booking on behalf of Someone Else

You will be responsible for bearing any cost incurred as a result of cancellation or the relevant person's non-attendance at the track day. We are unable to provide refunds other than to those customers who have booked directly with us.

If you have any doubt that anyone for whom you are booking a track day is or may not be able to comply with any of the terms of this agreement please do not proceed with that booking and advise such person(s) to book direct or contact our track day team.

Cancellations

(a) Cancellation by PCGB

PCGB may have to cancel a track day due to events beyond its control, for example adverse weather conditions. This will usually be in the interests of safety. Where a track day is cancelled in its entirety for such reasons, PCGB will endeavour to notify participants of the cancellation although PCGB cannot guarantee that participants will be informed of such cancellation before the date of the event. Where a track day is cancelled in its entirety for such reasons PCGB are unable to reimburse third party costs incurred due to the cancellation but will endeavour to offer either (a) a full credit towards a place on an alternative, later track day (subject to availability) up to the face value of the existing booking or, (b) if PCGB cannot provide an alternative date, a full refund.

If PCGB cancel a track day for reasons other than events beyond its control, a full credit, transfer or refund will be offered.

In order to claim any refund, please apply in writing to PCGB's address set out at the start of these terms and conditions, or email trackdays@porscheclubgb.com stating clearly the track day to which the application relates. For accounting purposes any applications for refunds must be received within 28 days from the date of the cancelled track day.

(b) Cancellation by you

If you are unable to attend the track day please call the PCGB team as soon as possible, followed up with an email to trackdays@porscheclubgb.com. In these circumstances, provided PCGB are notified no later than **14 days prior to the original booked track day date**, PCGB will endeavour to reschedule your booking or provide an PCGB credit towards a later track day (subject to availability) up to the face value of the existing booking*. Any credit held by PCGB must be used within a three month period from the date of cancellation. The PCGB product you are booking does not need to take place within three months; you must simply have used your credit. For example, if you cancel your track day on the 1st January, you must have booked an alternative date by the 1st April. Any credits not used within the 3 month period automatically expire. It is your responsibility to redeem the credit in time. Should PCGB be notified **within 14 days prior to the original booked track day date** and the trackday is fully booked we will attempt to contact any available reserves and if a successful replacement is found then we will issue you an PCGB credit less the admin fee*. You may also let us know of a name change and we will action this at no fee. If we are unable to find a replacement prior to the event then we will not be able to issue the PCGB credit.

Any amendments to track day bookings must be requested by email trackdays@porscheclubgb.com, stating clearly the track day to which the amendment relates.

*Any cancellations or amendments of the track day date, requested by you, will incur an administration fee of 10% or £20 whichever is the greater. All offers of credit are entirely at the discretion of PCGB.

It is your responsibility to ensure that your vehicle meets the relevant noise test requirements. If your vehicle fails any noise test and you are excluded from any further participation PCGB will have no liability to you and you will not receive any refund or date transfer in relation to the event. Similarly if your vehicle suffers mechanical issues which prevent or limit participation, no refund or transfer will be given.

Variations

PCGB may vary the format and / or timetable of an event if required. Participants will be notified of any such change as soon as possible.

PCGB may revise these terms at any time by amending this page or the relevant document. Please check this website from time to time to take notice of any changes made, as they are binding. Some of the provisions of these terms may also be superseded by notices or provisions published elsewhere by PCGB at the venue.
