

Well it all started for us all departing from different locations. Some of us decided to go on the Chunnel Crossing & the rest of us departed from Hull on the overnight crossing to Zeebrugge.

**Day 1** - We all met up in Stuttgart in the Kongress Hotel where we all were briefed over dinner & a drink. Once we all had our "Tour Packs & Rally Plates" we retired for a well earned sleep.

---

**Day 2** - We all went to the Porsche Factory (on two separate groups & times) This was all pre-arranged & went very smoothly. The factory was just amazing especially for those who have never been prior. Seeing all models & colours being assembled on one floor including race prep cars & GT3RS's ! For those who were afternoon visit we all gathered directly outside the Museum for a Photo-shoot. A big thank you to the Museum for allowing us to leave out cars there throughout the visit. After the visit we had a long drive to Arabba to our pre-booked hotel (Evaldo Hotel) It was late when we arrived & the hotel had our dinner prepared for us.

---

**Day 3** - All cars washed & cleaned & ready for our first day of passes which included Pordoi, Sella, Gardena, Campolongo, Falzarego, Valparola & back to Campolongo as we did this in a figure of eight.

After yet another welcomes coffee break we set off for Passo Tre Croce, Cimabanche & returning to Cortina before heading back to the Evaldo Hotel. Sadly some of us were involved in a 3 car accident. I was stationary when one of our tour members decided not to stop & crashed into the back of my car, then to top this off another member went into the back of him. We all must remember these tours are not races but "enjoyable" experiences & must always concentrate !.
