INTRODUCTION

My name is Shivam Nathwani, I am 24 years old and I have a muscle wasting condition called Duchenne Muscular Dystrophy, I also live my life with a tracheostomy and specialist breathing equipment, but this hasn't stop me living an above average lifestyle.

The 2020 Lockdown was a tough time for us all and for many it still is. During this time, I was able to follow my dreams and peruse my journey in the motor industry and launch TSR across various platforms including Youtube (The Shivam Review) & Instagram (@tsr_uk)

I am delighted to announce the date for my motor show and would like to take this opportunity to invite you to join us to showcase your business/dealership, new cars, and various offers throughout this one-day event at the Leicester Racecourse, Oadby on Sunday 14th August 2022.

We expect over 5000 visitors throughout the day and the fun filled day will include us raising money for a charity close to my heart Rainbows.

Please find enclosed details of the package to choose from, along with stand sizes and costs involved. To book your stand, please sign the enclosed booking form and send back to info@theshivamreview.co.uk

Don't forget to put the date in your diary as this will be no ordinary Motor Show!

I wish you every success and look forward to seeing you at the show.

Kindest regards

The Shivam Review
