

Porsche Club
Speed Championship

Decal locations 2020

All cars competing in the **Petro-Canada Lubricants Porsche Club Speed Championship with Pirelli** will be required to have the decals shown below, fixed on the car, in the positions indicated, before entering into competition. Cars not fitted with the correct decals in the correct positions may not be allowed to participate and will certainly not score points.

Note: Please do not apply decals using soapy water, as this may inhibit their ability to adhere fully to the car.

Screen-header decal

Front and rear number plate position (vertical) and small on front and rear ¾ positions

In front of rear wheel arch x 2.
