**Sunday 28 June 2015**  
**All Aboard - Steam Train Trip**

Come and join us for a day on the West Somerset Railway.

Starting at Bishops Lydeard, we will travel on a steam locomotive through ten unique stations linked by a twenty mile scenic journey. Travelling through the rolling Quantock Hills and distant Exmoor with its unspoilt villages and farms nestling in leafy lanes; the cliffs and coast of the Bristol Channel offering views of distant South Wales; confident church towers and Dunster's imposing Castle before arriving in the seaside town of Minehead. Our return journey will be by diesel locomotive.

On arrival in Minehead, you will have time to explore the area, find a nice pub/restaurant for a bite to eat, enjoy an ice cream, or bring a picnic and enjoy lunch alfresco on the beach.

The price of £15 per person will include a tour talk on the journey to Minehead.

The plan for the day is as follows:

0830 for 0845	Depart M5 services
1025	Depart Bishops Lydeard (Steam locomotive)
1145	Arrive Minehead
1525	Depart Minehead (Diesel locomotive)
1645	Arrive Bishops Lydeard
